MEMORANDUM FOR: Deputy Director/Support

FROM : Director of Logistics

SUBJECT : Office of Logistics Objectives Review,
Second Quarter, FY 1955

1. This Office has started the review of the office objectives preparatory to the submission of a report for the second quarter of FY 1955. However, the review of the Inspector General's report, the preparation of our reply thereto, and the reassignment of top level staff personnel has prevented our completion of the report.

2. Since contemplated reorganization of top level staffs within the Office of Logistics will undoubtedly make some change in office objectives necessary, it is considered inadvisable to submit the quarterly report at this time. Therefore, if this meets with your approval, the Office of Logistics will omit the report for the second quarter of FY 1955 and cover all items in the report for the third quarter of the fiscal year.
